

Final Principal's Message 2021

It is a sad time of the year as we farewell the Year 8 students. They have been an awesome group of students and I feel very proud of their achievements as I proof their final reports and prepare the awards for the house final assembly.

Once again it has been a very different year and we have had a mixture of classroom based learning and online learning. You need to be very proud of your children as they have been flexible and have adapted well to the different world of education that has been 2020 and 2021.

I have been attending all the Final House Assemblies and have been able to give my end of year speech at each one.

I have included in this newsletter the little piece of advice I have passed onto all the students.

LIFE ADVICE

Always be the best person you can be.

Be kind even when you are angry.

Do more than you are asked and don't ask for anything in return.

Don't silently expect anything either.

Listen when someone talks and really listen too, stop just thinking of how you will reply

Tell people that you love them and that you appreciate them.

Go out of your way to do things for people.

Be the greatest person you can possibly be and when you mess up, make up for it in the next moment, or minute or day.

At the end of each year, we say goodbye to staff members who are leaving. This year we are farewellling Fiona Stewart, as she retires and Kylie Moody. We wish them all the best for the future. Thank you to all those parents who have helped us out throughout the year. We would not be able to provide the range of activities that the school provides without your assistance.

We are looking forward to seeing all the Year 7 students back at school in 2022.

I wish you all safe and happy holidays and a very merry Christmas!
